To Whom It May Concern

I am very pleased to write letter of recommendation to **Dawit Gebrehiwot** is known to me as astudent in the departement of **Information Technology** at woldia university, Ethiopia. During his stay in the university he is a careful and creative thinker with an eye for details and a devotion to logic, which serves his well both in the sciences and outside them. He has a good knowledge/ handeled subjects such as **computer networking, Database Mangemnet system, oprtaing system, web development and programming etc.** He is taking keen interest in updating his knowledge in pace with the technology development. He can work as a team in any assigned task and capable of completing within a given time freame. His works/implementes excellent industrial project with in a latest programming language. I recommend him for any organization or any other suitable assignment he chooses to build his career I wish him all the bset in his future endeavors.

Sincerely

“Quality Eduaction forAll”
